[Signed at Paris, December 27, 1869.]

(Translation).

*Declaration.*

THE Governments of Great Britain, Belgium, France, and the Netherlands, being desirous to regulate, by common agreement, certain questions connected with the execution of the Convention of the 8th of November, 1864, relating to the sugar system, the undersigned, duly authorized to that effect, and after having taken cognizance of the final Protocol signed on the 5th of October of the present year, by the Commissioners of the four Governments assembled in Conference at the Hague, have agreed upon the following arrangements :—

ARTICLE I.

The period granted to the French Government by the Declaration of the 4th of November, 1868, for establishing an exact correlation between the duties to be levied on raw sugars and the yields fixed by the Declaration of the 20th of November, 1866, is extended to the 30th of June, 1871.

## ARTICLE II.

Provisionally, the duty on the importation into France of refined sugars coming from the other Contracting States remains fixed at forty-eight francs eighty-five centimes (48f. 85c.)

## ARTICLE III.

The limit of exportation of pieces produced from sugars admitted under the system of temporary importation, which was fixed by the second paragraph of Article X of the Convention of the 8th November, 1864, is lowered from Standard No. 10 to Standard No. 7.

## ARTICLE IV.

Each of the Contracting Governments shall be at liberty to subdivide the classes of raw sugar mentioned in Article I of the Convention of the 8th of November, 1864, and to create sub-standards corresponding to such subdivisions, without, however, having the power to modify the limit of any one of the actual classes, nor to lower the average yield of the different qualities of sugar comprised in those classes.

## ARTICLE V.

The present arrangement shall come into execution from and after the 1st of January, 1870.

In witness whereof the undersigned have drawn up the present Declaration, and have affixed to it the seal of their arms.

*Board of Trade, Whitehall Gardens,  
February 7, 1870.*

THE Queen has been graciously pleased to confer the decoration of the "Albert Medal of the Second Class" on :—

WILLIAM SIMPSON, R.N., late Chief Boatman in charge of the Coast Guard Station at Bude, Cornwall.

The following is an account of the services in respect of which the decoration has been conferred :—

During a very heavy gale on the 13th September, 1869, the ship "Avonmore" was wrecked on the coast of Cornwall, near Bude, and the Second Officer and six other members of the crew were drowned.

The rocket apparatus from Bude was taken to the spot and under the personal direction of

WILLIAM SIMPSON, Chief Boatman in charge of the Coast Guard Station there, nine of the crew were saved by it.

Six of the crew still remained on the wreck, one of them with a broken limb, lying jammed amongst the debris on the vessel's deck, SIMPSON saw that these six men could neither save themselves nor be saved by the apparatus unless additional assistance was rendered from the shore.

Although the ship was expected to break up momentarily, SIMPSON determined to reach the deck himself, if possible, by means of the gear.

When being hauled to the wreck the line became fast in the block, and the gear was for a time rendered useless.

In consequence of the failure in the gear SIMPSON was hauled through the water under the stern of the ship amongst floating wreck, and it was not without difficulty and perseverance and much risk that he succeeded unaided in reaching the deck.

The ship was on her beam ends, masts had gone by the board, the decks were swept by the sea, and the leeward side was under water.

When on board the wreck, SIMPSON saw that the gear, which had become choked by drift oakum, must at once be cleared. This he set himself to do with his teeth whilst he held on to the wreck with his hands.

When the rocket gear was restored to working order and got clear of all obstacles, four other volunteers were hauled on board from the shore to assist, and under SIMPSON's direction the wounded man was extricated from the debris, and the whole of the six remaining members of the crew were saved.

SIMPSON was the last to leave the wreck.

FROM THE  
*LONDON GAZETTE of FEBRUARY 11,*  
1870.

*Her Majesty's most gracious Speech, delivered by the Lords Commissioners, to both Houses of Parliament, on Tuesday, February 8, 1870.*

*My Lords, and Gentlemen,*

WE have it in command from Her Majesty again to invite you to resume your arduous duties, and to express the regret of Her Majesty that recent indisposition has prevented Her from meeting you in person, as had been Her intention, at a period of remarkable public interest.

The friendly sentiments which are entertained in all quarters towards this country, and which

Her Majesty cordially reciprocates, the growing disposition to resort to the good offices of allies in cases of international difference and the conciliatory spirit in which several such cases have recently been treated and determined, encourage her Majesty's confidence in the continued maintenance of the general tranquillity.

Papers will be laid before you with reference to recent occurrences in New Zealand.

*Gentlemen of the House of Commons,*

The estimates for the services of the approaching financial year, are in a forward state of preparation. Framed with a view, in the first place, to the effective maintenance of the Public Establishments, they will impose a diminished charge upon the subjects of Her Majesty.

The condition of the Revenue has answered to the expectations which were formed during the past Session.

Her Majesty trusts that you will be disposed to carry to its completion the inquiry which you last year instituted into the mode of conducting Parliamentary and Municipal Elections, and thus to prepare the materials of useful and early legislation.

*My Lords, and Gentlemen.*

It will be proposed to you to amend the laws respecting the occupation and acquisition of land in Ireland, in a manner adapted to the peculiar circumstances of that country, and calculated, as Her Majesty believes, to bring about improved relations between the several classes concerned in Irish agriculture, which collectively constitute the great bulk of the people. These provisions, when matured by your impartiality and wisdom, as Her Majesty trusts, will tend to inspire among persons with whom such sentiments may still be wanting,

that steady confidence in the law and that desire to render assistance in its effective administration, which mark Her subjects in general; and thus will aid in consolidating the fabric of the Empire.

We are further directed by Her Majesty to state that many other subjects of public importance appear to demand your care; and among these especially to inform you that a Bill has been prepared for the enlargement, on a comprehensive scale, of the means of National Education.

In fulfilment of an engagement to the Government of the United States, a Bill will be proposed to you for the purpose of defining the status of subjects or citizens of foreign countries who may desire naturalization, and of aiding them in the attainment of that object.

You will further be invited to consider Bills, prepared in compliance with the Report of the Commission on Courts of Judicature, for the improvement of the constitution and procedure of the Superior Tribunals of both original and appellate jurisdiction.

The question of religious tests in the Universities and Colleges of Oxford and Cambridge has been under discussion for many years. Her Majesty recommends such a legislative settlement of this question as may contribute to extend the usefulness of these great institutions, and to heighten the respect with which they are justly regarded.

Bills have been prepared for extending the incidence of rating, and for placing the collection of the large sums locally raised for various purposes on a simple and uniform footing.

Her Majesty has likewise to recommend that you should undertake the amendment of the laws which regulate the grant of licences for the sale of fermented and spirituous liquors.

Measures will also be brought under your consideration for facilitating the transfer of land, for regulating the succession to real property in case of intestacy, for amending the laws as to the disabilities of members of Trade Combinations, and for both consolidating and improving the body of statutes which relate to merchant shipping.

While commending to you these weighty matters of legislation, Her Majesty commands us to add, that the recent extension of agrarian crime in several parts of Ireland, with its train of accompanying evils, has filled Her Majesty with painful concern.

The Executive Government has employed freely the means at its command for the prevention of outrage, and a partial improvement may be observed. But although the number of offences, within this class of crime, has been by no means so great as at some former periods, the indisposition to give evidence in aid of the administration of justice has been alike remarkable and injurious.

For the removal of such evils, Her Majesty places Her main reliance on the permanent operation of wise and necessary changes in the law. Yet she will not hesitate to recommend to you the adoption of special provisions, should such a policy appear, during the course of the session, to be required by the paramount interest of peace and order.

Upon these and all other subjects Her Majesty devoutly prays that your labours may be constantly attended by the blessing of Almighty God.

Ten pensions of £300 a-year each to be given to Flag Officers of all ranks on the Active List; the intention being that two may be held by Vice-Admirals and two by Rear-Admirals qualified for promotion. In the event of their failing so to intimate their wishes, it will be deemed that they have elected the new Regulations laid down in this scheme.

2. The new scales of full pay and allowances to apply to all Officers, unless they request, in writing, within such time as may be prescribed, to be paid according to those now in force, in

which case they will continue to receive the old rates of pay and allowances during all their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be dealt with under the old Regulations, will retain their present rights, except so far as they are expressly limited by these Temporary Provisions ; but in that case, it must be clearly understood that they will have none of the advantages of the new Regulations.

4. Officers to whom the above option is given, and who elect to be dealt with under the new Regulations, will receive half-pay, and will be promoted and retired in accordance with them, but will retain no rights abolished by them, except so far as is expressly laid down in these Temporary Provisions.

5. Officers retired may, at their own request, and after obtaining in each case Our consent, commute their half or retired pay, under the Rules laid down by the Lords Commissioners of Her Majesty's Treasury for administering Act 32 & 33 Vict., cap. 32.

6. Admirals of the Fleet, and Admirals who commanded a ship as Captain or Commander prior to the termination of the War in 1815, to be allowed to remain on the Active List ; such Admirals to be eligible for promotion to the rank of Admiral of the Fleet.

7. All other Flag Officers now on the Active List to have the option of being promoted and retired, either under the new Regulations, or under the terms of the Order in Council of March 24, 1866, but with the following modifications in the latter case :—

(b) To be retired so soon as 10 years have elapsed since their flag was hauled down, or (if they have not hoisted their flag) since their service as Captain ceased.

(c) When so retired, the names of those who have hoisted their flags, or have been employed at the Admiralty, will, if they should desire it, be retained on the Active List according to seniority, until such time as they would have been compulsorily retired under the Order in Council of 24th March, 1866 ; but they will not be entitled to rise above the rank of Admiral or Retired Admiral. Their names to be supplementary to the established numbers of the List, and to be printed in italics ; and when ultimately removed from the List by death or otherwise, the vacancies so caused not to be filled up.

(d) Flag Officers so retired retain their Good Service Pensions.

10. Rear-Admirals now on the Active List, who elect or are allowed to be retired at once under the new Regulations, to be entitled to £675, instead of £600 a-year, as retired pay, subject to the deduction specified in the scale, but without the addition allowed for extra service.

11. Until the Active List of Admirals shall have been reduced to 7, only one in every two vacancies caused by retirement, or promotions consequent thereon, to be filled up.

12. Until the Active Lists of Vice-Admirals and Rear-Admirals shall have been reduced to 15 and 25 respectively, only one in every three vacancies caused by retirement, or promotions consequent thereon, to be filled up.

At the Court at *Windsor*, the 22nd day of *February*, 1870.

### PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of February, 1870, in the words following, viz. : —

“Whereas by Orders in Council of 5th February, 1834, 29th June, 1842, 30th January, 1856, 1st August, 1860. and 4th February, 1861, your Majesty has been graciously pleased to make provision empowering us to confer promotion to the Active and Retired List of your Majesty's Navy, on certain Officers who may be annually recommended to us for the good and faithful discharge of their duties in the Coast Guard Service, or in Revenue Cruizers, as well as to grant advantages as regards retired pay upon some of these Officers.

2. Whereas by Orders in Council of 7th February, 1857, and 1st August, 1860, your Majesty has been pleased also to confer power on us to select annually for promotion either to the Active or Retired List one of the Lieutenants employed as Admiralty Agents on board contract mail steam vessels.

3. And whercas the position of these branches of your Majesty's Service has been materially

altered, the prospects of Officers serving in them as regards advancement and retirement have been greatly improved, and the number of Officers employed considerably diminished, we are of opinion that such promotions are no longer needed, the more especially as by our proposals, the Active Lists generally of your Majesty's Navy will be reduced.

4. We would therefore most humbly submit to your Majesty, that in future no special annual promotions be made, either to the Active or Retired Lists for service in the Coast Guard, Revenue Cruisers, or contract mail steam vessels, and that the provisions of your Majesty's several Orders in Council authorising such promotions be repealed."

March 24, 1870.*

THE Right Honourable the Lords of the Committee of Privy Council for Trade have received, from the Secretary of State for Foreign Affairs, a translation of a Decree issued by the President of the Republic of Nicaragua, dated 17th December, 1869, which determines the conditions to be observed by Nicaraguan Consuls abroad, when visé-ing invoices of merchandise.

The following are the Articles of this Decree:—

ART. 1. In order to fulfil the conditions required for the visé-ing of invoices by Consuls of the Republic abroad, merchants who may have to make exports, shall present to the said Consuls two copies of the invoice of the goods to be shipped, expressing the quantity, the goods, the quality, the number, weight, or measure, and the value; of these two copies, the Consul, after having visé-ed both, shall deliver one to the merchant, and shall send the other stamped and under seal to the Chief of the Custom-house of the Port through which they may be passed.

ART. 2. The importation of goods or merchandise without the original invoice, visé-ed by the Nicaraguan Consul at the port from which they are shipped, or without its containing the precise specification of the goods, their quantity, quality, number, weight, or measure, and value, will cause them to be confiscated as contraband.

ART. 3. With regard to goods coming from the States of Central America, the importers shall be subject to the rules laid down in the preceding Articles; but if the goods are such as are usually brought in without an invoice, on account of the

nature of the speculation, the Fiscal Agent or Chief of the Custom-house shall invoice such goods, fixing their values in accord with a merchant, should there be one, and notify the fact to the Chancellor of the Exchequer.

ART. 4. The Fiscal Agent, employed in the valuation, shall, when invoicing the goods, make use of the ship's manifest in which, in addition to an exact description of the merchandize, and the numbers, must be stated the value also; in fault of this document reference shall be made to the bills of lading which importers of goods always have with them.

ART. 5. The Chiefs or Clerks of the Ports in reducing foreign money for the recovery of duty upon invoices shall convert it into the Spanish hard dollar.

ART. 6. The Decree of 27th November last is hereby abrogated.

To Our right trusty and well-beloved Councillor Sir George Grey, Baronet, Knight Grand Cross of Our Most Honourable Order of the Bath ;

To Our right trusty and well-beloved Cousin  
and Councillor William Reginald, Earl of  
Devon ;

To Our right trusty and well beloved Councillor  
Lieutenant-General Jonathan Peel ;

To Our right trusty and well-beloved Councillor  
George Ward Hunt, Esquire ;

To Our trusty and well-beloved Sir William  
Milbourne James, Knight, Vice-Chancellor ;

To Our trusty and well-beloved Sir James

Most Honourable Order of the Bath, Lieu-  
tenant-General of Our Forces ;

Honourable Order of the Bath, Major-  
General in our Army ;

To Our trusty and well-beloved Samucl Whit-  
bread, Esquire ;

To Our trusty and well-beloved Philip Henry  
Muntz, Esquire ;

Whereas it is alleged that, in those Corps in  
Our Army in which Regimental Promotions are  
made by Purchase, a practice exists of paying in  
respect of promotions, and of receiving in respect  
of retirements, sums in excess of those sanctioned  
by Our Royal Warrant, dated the 3rd February,  
1866.

And whereas we have deemed it expedient that  
a Commission should forthwith issue to inquire  
into and report upon the said alleged practice,  
together with any incidents of the legalized purchase  
system which may be found to be connected with  
the same ;

Now know ye, that we, reposing great trust and  
confidence in your zeal, discretion, and ability,  
have authorized and appointed, and do by these  
presents authorize and appoint, you the said Sir

George Grey, William Reginald Earl of Devon, Jonathan Peel, George Ward Hunt, Sir William Milbourne James, Sir James Yorke Scarlett, Thomas M. Steele, Samuel Whitbread, and Philip Henry Muntz, or any three or more of you, to be Our Commissioners for making the inquiry aforesaid. And We do hereby authorize and empower you Our said Commissioners, or any three or more of you, to obtain information thereupon by the examination of all persons most competent by reason of their knowledge, habits, or experience, to afford it : and also by calling for all documents, papers, and records which may appear to you, or any three or more of you, calculated to assist your researches, and to promote the formation of a sound judgment on the subject.

And We do hereby require and command you, or any three or more of you, to report to Us, under your hands and seals, with all convenient speed ;

The extent and manner in which the said practice may have been carried on.

The incidents of the practice, and the circumstances under which the person who may have paid any such sum has been accustomed to receive the like sum back on the sale of his Commission, or otherwise, and the circumstances under which the sum paid has been irrecoverable.

The degree of recognition which this practice may have received from any of Our public departments or officers, and how far any statutes which now or heretofore may have prohibited the said practice, and any Royal Warrants and Regulations affecting the same, have been actually enforced.

And generally to report upon the facts of the whole case.

And We will and command, and by these presents ordain, that this Our Commission shall continue in full force and virtue, and that you Our said Commissioners, or any three or more of you, may from time to time proceed in the execution thereof, although the same be not continued from time to time by adjournment.

And for your assistance in the due execution of these presents, We have made choice of Our trusty and well-beloved Ralph Henry Knox, Esquire, to be Secretary to this Our Commission, and to attend you, whose service and assistance We require you to use from time to time as occasion shall require.

In witness whereof we have caused these Our Letters to be made Patent.

Given at Our Court at *Windsor Castle*, this fifth day of April, one thousand eight hundred and seventy, and in the thirty-third year of Our Reign.

By Her Majesty's Command,

THE Board of Trade have received from the the Secretary of State for Foreign Affairs a copy of a despatch from Lieutenant-Colonel Stokes, R.E., the British Representative on the European Commission of the Danube, forwarding regulations with regard to the pilotage of the Lower Danube, a translation of which is subjoined :—

## EUROPEAN COMMISSION OF THE DANUBE.

### *Provisions relative to the Piloting of Vessels in the Black Sea by the Danube Pilots.*

THE European Commission of the Danube, considering the 112th Article of the Regulation of Navigation and Police applicable to the Lower Danube, dated the 2nd November, 1865 ; whereas the enforcement of the prohibition to the river pilots to pilot vessels at sea encounters difficulties, and whereas shipmasters interested in easily finding good pilots for the voyage from the Bosphorus to the mouth of the Danube and vice versâ, have themselves expressed the desire that this prohibition should be rescinded :

Whereas, however, it is of importance to give to the authority under which the pilots are placed

the means of controlling the voyages made by them beyond the Danube, enacts the following provisions :--

ART. 1. From and after this day the provision enacted on the 16th April, 1868, and inserted in the last paragraph of Art. 75 of the Regulation of Navigation and Police applicable to the Lower Danube, dated the 2nd November, 1865, forbidding the licensed river pilots to pilot vessels in any part of their sea voyage, is repealed.

This prohibition continues, however, to be applicable to the pilotage in the channel of the Sulina Mouth, which is reserved as heretofore to the local pilots.

ART. 2. The river pilot who leaves the Danube to pilot a vessel at sea is bound to present his licence previously to the sub-chief pilot of the river service, who affixes to it a visé stating the date of his leaving.

The pilot is bound to observe the same formality when he re-enters the river.

Every offence against the provisions of the present Article is punished by a fine of fifty francs (£2), at least, and of a hundred francs (£4), at most.

ART. 3. The Inspector-General of the Navigation of the Lower Danube is charged to watch over the execution of the present provisions, and to pronounce the infliction of the fines incurred by the infraction of Art. 2 herein above.

The infliction of this penalty is regulated by the provisions of chapter II., part VI., of the Regulation of Navigation and Police of the 2nd November, 1865.

Done at Galatz, the 30th day of October, 1869.

MEMORANDUM,

*Dated Horse Guards, 3rd May, 1870.*

WITH a view to obviating, as far as possible, any difficulties that might arise from the present unequal promotion to the rank of Major-General of Colonels of the British and Indian Lists respectively, it is Her Majesty's pleasure that so much of the Horse Guards Memorandum, dated 25th April, 1855, as may refer to Officers of the Indian Army promoted hereafter to the rank of Major-General, shall be temporarily suspended; and that until further orders, the rank of Major-General conferred under the first clause of the Regulations attached to the Royal Warrant dated 15th June, 1864, on an Officer of the Indian List, shall be local until the Colonel of the Guards or Line of the British List, immediately senior to him as Colonel, may become a Major-General, when the rank of the Officer of the Indian List, as then held, will be made general. such antedate being given to the Commission of the Colonel of the British Army promoted to be Major-General as will place the two Officers in the same relative position as Major-Generals as they held as Colonels.

In thus giving an antedate to the Commissions as Major-Generals of Officers who have been, or may be hereafter, promoted on the Imperial Lists, and extending the same principle whenever necessary to the Major-Generals of the Artillery, Engineers, and Marines, it is not intended in any

way to interfere with the relative positions which the Major-Generals of the several branches of the British Service may now or may hereafter hold among themselves under the operation of the ordinary and existing system of promotion.

AT the Court at *Balmoral*, the 4th day of  
*June*, 1870.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Lords of the Committee of Privy Council for Trade have represented to Her Majesty that, in order to carry out the terms of a postal convention with France, it is expedient that secondary standards of the weight of one-third of an ounce avoirdupois, and of two-thirds of an ounce avoirdupois, should be legalized, in pursuance of the provisions contained in sections six and eight of the Standards of Weights, Measures, and Coinage Act, 1866 ; and that new imperial weights of such denominations have been constructed, and have been duly verified and authenticated in the Standards Department of the Board of Trade, their weight in relation to the imperial standard pound having been accurately determined :

Now, therefore, in pursuance and by virtue of the said recited Act of Parliament, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby declared, that the said standard weights of one-third of an ounce avoirdupois and of two-thirds of an ounce avoirdupois respectively, shall be legal secondary standards of weight, from and after the time

when this Order shall have been duly published in the London Gazette, pursuant to the said Act.

At the Court at *Balmoral*, the 4th day of  
*June*, 1870.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS it is expedient to continue, with certain amendments, the existing provision for testing, according to fixed rules, the qualifications of persons who may, from time to time, be proposed to be appointed, either permanently or temporarily, to any situation or employment in any of Her Majesty's Civil Establishments, except as hereinafter mentioned:—

I. Now, therefore, Her Majesty, by and with the advice of Her Privy Council, doth order, and it is hereby ordered, that the Right Honourable Sir Edward Ryan, now First Commissioner under Her Majesty's Orders in Council of the 21st May, 1855, and the 26th April, 1862, and George Webbe Dasent, Esquire, Doctor of Civil Law, or such other persons as Her Majesty may from time to time approve in the stead of them, or either of them, shall be Her Majesty's Civil Service Commissioners for testing the qualifications of the persons so proposed to be appointed to any situation or employment in the Civil Establishments as aforesaid, and shall hold their offices during the pleasure of Her Majesty; the said Sir Edward Ryan continuing to be the First Commissioner, and the said George Webbe Dasent being the Second Commissioner; and shall have power, subject to the approval of the Commis-

sioners of Her Majesty's Treasury, to appoint from time to time such Assistant Examiners and others as may be required to assist them in the performance of the duties hereinafter assigned to them.

II. And it is hereby ordered that (except as may be excepted under Clause VII. of this Order, and in the Schedule marked B annexed hereto) the qualifications of all such persons as may be proposed to be appointed, either permanently or temporarily, to any situation or employment in any Department of the Civil Service shall, before they are employed, be tested by or under the directions of the said Commissioners; and no person (except as aforesaid) shall be employed in any Department of the Civil Service until he shall have been reported by the said Commissioners to be qualified to be admitted on probation to such situation or employment.

III. No person shall be appointed to any office or employment in any of Her Majesty's Civil Establishments until he shall be reported by the said Commissioners to have satisfied them—

- 1st. That he is within the limits of age prescribed for the situation or employment to which he desires to be admitted;
- 2nd. That he is free from any physical defect or disease which would be likely to interfere with the proper discharge of his duties;
- 3rd. That his character is such as to qualify him for such situation or employment; and,
- 4th. That he possesses the requisite knowledge and ability to enter on the discharge of his official duties.

IV. The rules applicable to each Department, under each of the above heads, shall be settled, subject to the approval of the Commissioners of Her Majesty's Treasury, by the said Civil Service

Commissioners and the chief Authorities of the Department.

V. Except as hereinafter is excepted, all appointments which it may be necessary to make, after the 31st day of August next, to any of the situations included, or to be included, in Schedule A to this Order annexed, shall be made by means of competitive examinations, according to regulations to be from time to time framed by the said Civil Service Commissioners, and approved by the Commissioners of Her Majesty's Treasury, open to all persons (of the requisite age, health, character, and other qualifications prescribed in the said regulations) who may be desirous of attending the same, subject to the payment of such fees as the said Civil Service Commissioners, with the consent of the said Commissioners of Her Majesty's Treasury, may from time to time require; such examinations to be held at such periods, and for such situations, or groups of situations, in the same or different Departments, as the said Civil Service Commissioners, with the approval of the said Commissioners of Her Majesty's Treasury, shall from time to time determine, and to have reference either to the vacancies existing at the time of the examinations respectively, or to the number which may be estimated to occur within any period, not exceeding six months after the commencement of the examinations, as the said Civil Service Commissioners, after consultation with the chief authorities of the various Departments, and with the approval of the said Commissioners of Her Majesty's Treasury, may deem expedient.

VI. After the candidate, reported as aforesaid by the Commissioners, has been appointed to an office or employment, he shall enter on a period of probation, during which his conduct and capacity

in the transaction of business shall be subjected to such tests as may be determined by the chief of the Department to which he is attached, and he shall not remain in the Public Service after six months from the date of his appointment, unless satisfactory proofs of his fitness shall have been furnished to the chief of such Department, and a certificate of his qualification shall have been issued by the Civil Service Commissioners. A formal record of the particulars and of the result of such probation, signed by the chief of the Department, shall be furnished to the Civil Service Commissioners, and filed in their office, and they shall thereupon, and not sooner, if such record should be satisfactory, issue their certificate of the candidate's qualification for employment. The candidate after, no less than before, the issue of such certificate, shall hold his office at the pleasure of the chief of his Department.

VII. In case the chief of a Department to which a situation belongs, and the Lords of the Treasury, shall consider that the qualifications in respect of knowledge and ability deemed requisite for such situation are wholly or in part professional or otherwise peculiar and not ordinarily to be acquired in the Civil Service, and the said chief of the Department shall propose to appoint thereto a person who has acquired such qualifications in other pursuits, or in case the said chief of the Department and the Lords of the Treasury shall consider that, either for the purpose of facilitating transfers from the Redundant List or for other reason, it would be for the public interest that examination should be wholly or partially dispensed with, the Civil Service Commissioners may dispense with examination, wholly or partially, and may grant their certificate of qualification upon evidence satisfactory to them that the said person possesses the

requisite knowledge and ability, and is duly qualified in respect of age, health, and character.

VIII. And it is lastly hereby ordered, that the situations mentioned, or referred to, in the Schedule marked B, hereto annexed, shall be wholly excepted from the operation of this Order: Provided that the chief authorities of any Department, with the concurrence of the Lords of the Treasury, by notice in the London Gazette, may, from time to time, add situations to either of the said Schedules, or withdraw situations therefrom, or restore thereto situations which may have been withdrawn.

PRESENT,

The QUEEN's Most Excellent Majesty.

Lord President.

Lord Privy Seal.

Lord Chamberlain.

Mr. Gladstone.

WHEREAS by the "British North America Act, 1867," it was (amongst other things) enacted that it should be lawful for the Queen, by and with the advice of Her Majesty's Most Honourable Privy Council, on Address from the Houses of the Parliament of Canada, to admit Rupert's Land and the North-Western Territory, or either of them, into the Union on such terms and conditions in each case as should be in the Addresses expressed, and as the Queen should think fit to approve, subject to the provisions of the said Act. And it was further enacted that the provisions of any Order in Council in that behalf should have effect as if they had been enacted by the Parliament of the United Kingdom of Great Britain and Ireland :

And whereas by an Address from the Houses of the Parliament of Canada, of which Address a copy is contained in the Schedule to this Order annexed, marked A, Her Majesty was prayed, by

and with the advice of Her Most Honourable Privy Council, to unite Rupert's Land and the North-Western Territory with the Dominion of Canada, and to grant to the Parliament of Canada authority to legislate for their future welfare and good government upon the terms and conditions therein stated :

And whereas by the "Rupert's Land Act, 1868," it was (amongst other things) enacted that it should be competent for the Governor and Company of Adventurers of England trading into Hudson's Bay (hereinafter called the Company) to surrender to Her Majesty, and for Her Majesty by any Instrument under Her Sign Manual and Signet to accept a surrender of all or any of the lands, territories, rights, privileges, liberties, franchises, powers, and authorities whatsoever granted or purported to be granted by certain Letters Patent therein recited to the said Company within Rupert's Land upon such terms and conditions as should be agreed upon by and between Her Majesty and the said Company ; provided, however, that such surrender should not be accepted by Her Majesty until the terms and conditions upon which Rupert's Land should be admitted into the said Dominion of Canada should have been approved of by Her Majesty and embodied in an Address to Her Majesty from both the Houses of the Parliament of Canada, in pursuance of the 146th Section of the "British North America Act, 1867 :"

And it was by the same Act further enacted that it should be competent to Her Majesty, by Order or Orders in Council, on Addresses from the Houses of the Parliament of Canada, to declare that Rupert's Land should, from a date to be therein mentioned, be admitted into and become part of the Dominion of Canada :

And whereas a second Address from both the

Houses of the Parliament of Canada has been received by Her Majesty praying that Her Majesty will be pleased, under the provisions of the hereinbefore recited Acts, to unite Rupert's Land on the terms and conditions expressed in certain Resolutions therein referred to and approved of by Her Majesty, of which said Resolutions and Address copies are contained in the Schedule to this Order annexed, marked B, and also to unite the North-Western Territory with the Dominion of Canada, as prayed for by and on the terms and conditions contained in the hereinbefore first recited Address, and also approved of by Her Majesty :

And whereas a draft surrender has been submitted to the Governor-General of Canada containing stipulations to the following effect, viz. :—

1. The sum of 300,000*l*. (being the sum hereinafter mentioned) shall be paid by the Canadian Government into the Bank of England to the credit of the Company within six calendar months after acceptance of the surrender aforesaid, with interest on the said sum at the rate of 5 per cent. per annum, computed from the date of such acceptance until the time of such payment.

3. The deduction to be made as hereinafter-mentioned from the price of the materials of the Electric Telegraph, in respect of deterioration thereof, is to be certified within three calendar months from such acceptance as aforesaid by the agents of the Company in charge of the depots where the materials are stored. And the said price is to be paid by the Canadian Government into the Bank of England to the credit of the Company within six calendar months of such acceptance, with interest at the rate of 5 per cent. per annum on the amount of such price computed from the date of such acceptance until the time of payment.

And whereas the said draft was on the fifth day of July, one thousand eight hundred and sixty-nine, approved by the said Governor-General in accordance with a Report from the Committee of the Queen's Privy Council for Canada ; but it was not expedient that the said stipulations, not being contained in the aforesaid second Address, should be included in the surrender by the said Company to Her Majesty of their rights aforesaid or in this Order in Council.

And whereas the said Company did by deed under the seal of the said Company, and bearing date the nineteenth day of November, one thousand eight hundred and sixty-nine, of which deed a copy is contained in the Schedule to this Order annexed, marked C, surrender to Her Majesty all the rights of government, and other rights, privileges, liberties, franchises, powers, and authorities granted, or purported to be granted, to the said Company by the said Letters Patent therein and hereinbefore referred to, and also all similar rights which may have been exercised or assumed by the said Company in any parts of British North America not forming part of Rupert's Land, or of

Canada or of British Columbia, and all the lands and territories (except and subject as in the terms and conditions therein mentioned) granted, or purported to be granted to the said Company by the said Letters Patent :

## SCHEDULES.

### SCHEDULE (A).

ADDRESS to HER MAJESTY the QUEEN from the Senate and House of Commons of the Dominion of Canada.

To the Queen's Most Excellent Majesty.

*Most Gracious Sovereign,*

We, your Majesty's most dutiful and loyal subjects, the Senate and Commons of the Dominion of Canada, in Parliament assembled, humbly

approach your Majesty for the purpose of representing :—

That it would promote the prosperity of the Canadian people, and conduce to the advantage of the whole Empire, if the Dominion of Canada, constituted under the provisions of the British North America Act of 1867, were extended westward to the shores of the Pacific Ocean.

That the colonization of the fertile lands of the Saskatchewan, the Assiniboine, and the Red River districts ; the development of the mineral wealth which abounds in the regions of the North-West ; and the extension of commercial intercourse through the British possessions in America from the Atlantic to the Pacific, are alike dependent upon the establishment of a stable Government for the maintenance of law and order in the North-Western Territories.

That the welfare of a sparse and widely-scattered population of British subjects of European origin, already inhabiting these remote and unorganized territories, would be materially enhanced by the formation therein of political institutions bearing analogy, as far as circumstances will admit, to those which exist in the several provinces of this Dominion.

That the 146th section of the British North America Act of 1867 provides for the admission of Rupert's Land and the North-Western Territory, or either of them, into union with Canada, upon the terms and conditions to be expressed in addresses from the Houses of Parliament of this Dominion to your Majesty, and which shall be approved of by your Majesty in Council.

That we do therefore most humbly pray that your Majesty will be graciously pleased, by and with the advice of your Most Honourable Privy Council, to unite Rupert's Land and the North-

Western Territory with this Dominion, and to grant to the Parliament of Canada authority to legislate for their future welfare and good government; and we most humbly beg to express to your Majesty that we are willing to assume the duties and obligations of government and legislation as regards those territories.

That in the event of your Majesty's Government agreeing to transfer to Canada the jurisdiction and control over the said region, the Government and Parliament of Canada will be ready to provide that the legal rights of any corporation, company, or individual within the same shall be respected, and placed under the protection of Courts of competent jurisdiction.

And furthermore, that, upon the transference of the territories in question to the Canadian Government, the claims of the Indian tribes to compensation for lands required for purposes of settlement will be considered and settled in conformity with the equitable principles which have uniformly governed the British Crown in its dealings with the aborigines.

All which we humbly pray your Majesty to take into your Majesty's most gracious and favourable consideration.

WHEREAS the said Governor and Company were established and incorporated by their said name of "The Governor and Company of Adventurers of England trading into Hudson's Bay," by Letters Patent granted by His late Majesty King Charles the Second in the twenty-second year of his reign, whereby His said Majesty granted unto the said Company and their successors the sole trade and commerce of all those seas, straits, bays, rivers, lakes, creeks, and sounds in whatsoever latitude they should be, that lay within the entrance of the straits commonly called Hudson's Straits, together with all the lands and territories upon the countries, coasts, and confines of the seas, bays, lakes, rivers, creeks, and sounds aforesaid, that were not already actually possessed by, or granted to, any of His Majesty's subjects, or possessed by the subjects of any other Christian Prince or State, and that the said land should be from thenceforth reckoned and reputed as one of His Majesty's Plantations or Colonies in America called Rupert's Land, and whereby His said Majesty made and constituted the said Governor and Company and their successors the absolute Lords and proprietors of the same territory, limits, and places aforesaid, and of all other the premises saving the faith, allegiance, and sovereign domi-

nion due to His said Majesty, his heirs and successors for the same, and granted to the said Governor and Company and their successors, such rights of Government and other rights, privileges, and liberties, franchises, powers, and authorities in Rupert's Land as therein expressed. And whereas ever since the date of the said Letters Patent, the said Governor and Company have exercised and enjoyed the sole right thereby granted of such trade and commerce as therein mentioned, and have exercised and enjoyed other rights, privileges, liberties, franchises, powers, and authorities thereby granted, and the said Governor and Company may have exercised or assumed rights of Government in other parts of British North America not forming part of Rupert's Land, or of Canada, or of British Columbia. And whereas, by the British North America Act, 1867, it is (amongst other things) enacted that it shall be lawful for Her present Majesty Queen Victoria, by and with the advice and consent of Her Majesty's most Honourable Privy Council, on Address from the Houses of Parliament of Canada, to admit Rupert's Land and the North-Western Territory or either of them into the Union of the Dominion of Canada on such terms and conditions as are in the Address expressed, and as Her Majesty thinks fit to approve, subject to the provisions of the said Act. And whereas Her said Majesty Queen Victoria and the said Governor and Company have agreed to terms and conditions upon which the said Governor and Company shall surrender to Her said Majesty, pursuant to the provisions in that behalf in the Rupert's Land Act, 1868 contained, all the rights of Government and other rights, privileges, liberties, franchises, powers, and authorities, and all the lands and territories (except and subject as in the said terms
